

## **COVID 19 Guidelines**

Dear Patient

As we adjust our schedules and office flow to support recommendations by the CDC, we ask for your patience and understanding as we move through difference phases of reopening.

**Here's what you can expect from Primary Care & Chiropractic and Regenerative Medicine of the Rockies.**

1. Our providers will be alternating work schedules to provide access to care while allowing for social distancing.
2. All patients will have their temperature taken at the door, and will be asked specific COVID-19 screening questions.
3. Patients and staff will be required to wear masks (cloth or surgical) while in the office unless asked to take them off by staff during appointment.
4. NO FOOD or DRINK allowed in the office.
5. We wipe down exam tables between each patient.
6. We have rearranged our waiting room and workspaces to help with social distancing and wipe down surfaces throughout the day.
7. If you have a caregiver who needs to attend the visit with you, he or she will also need to wear a mask and have their temperature taken.

***Thank You!***
